IDEA 0571
Copy 2 of 3

28 NOV 1961

MEMORANDUM FOR: Chief, Materiel Staff, DPD

25X1A

ATTENTION: [REDACTED]

SUBJECT: Visit to Detachment G

25X1A

25X1A

1. During a recent visit to Detachment G by [REDACTED] [REDACTED] stated that he believed greater reliability and accuracy could be achieved in the [REDACTED] by using a better aneroid. The one currently being used requires considerable local modifications and is susceptible to minute variations which preclude increasing its accuracy.

25X1A

25X1A

2. It is requested that three or four aneroids of the type used in personnel parachutes be obtained and shipped to WRSP-4 to be tested for use in connection with the [REDACTED]

25X1A
